

# Do It Yourself Do It Right Do It For Less

Handle small repairs yourself and save money! Learn how in INHS's Home Maintenance Classes.

- Approachable instructor
- Up close look at repairs being done
- A chance to ask questions
- "Hands on" props used in lessons
- Held in a real house, not just a classroom

Classes meet from 6:30 to 8:30 PM in a downtown location (to be announced). **\$40 per person for the series.** The fee includes all class materials.

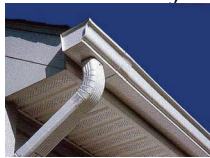

**Classes fill up early so send your registration today!**

Instructor, **Tom Gudeman**, was INHS's Mini-Repair Specialist for eight years. He currently works as an electrician for Sparks Electric Company and has been a homeowner for over ten years.

## October 5: Exterior Issues

*Your home's first layer of defense:* Inspect, repair, and maintain your home's roof, gutters, siding, and foundation.

## October 12: Basement Utilities

*The heartbeat of your home:* Change your furnace filter, understand your water heater, locate shut-off valves and electrical controls, inspect the sump pump, troubleshoot moisture issues.

## October 19: Plumbing

*Keep it flowing, keep it dry:* Maintain toilets, sinks, faucets and drains.

## October 26: General Repairs

*Keep it comfortable:* Weatherstrip doors and windows, patch walls, caulk, handle simple electrical repairs, learn about useful tools.

# Get The Answers In This Question-Driven Class

**Class Size Is Limited: Register Early to Save Your Spot!**

Early registrations will have priority if a class is filled.

**Send the registration form with your payment today. Registration closes**

**October 3.** Questions? Contact Julie at [jrowewood@ithacanhs.org](mailto:jrowewood@ithacanhs.org) or (607) 277-4500 x 204.
